GULLS

air
Leisurely gulls busy on ice ↶ leap off ↺,
↓, water ↘,
how do they think
know what sex within instinct,
they are, ↱ their nature ultra-sentient
walk swim fly patterns together
cliques *greet noise greet noise* ducks too
flight call call flight flight call ↘
conversation???? or
an urge from breeze
more the *world* – net than pictures distant
↓ instant — can they tell?
we can send constant
these words :
a gust before ten minutes from now.-
